

# Instructions to begin taking the 2019 Pharmacology Bundle

## Step 1

Begin by typing module 1 in the **Search Bar** field from the **Course Catalog**. This will pull up other modules as well.

The screenshot shows the pedsCE website interface. At the top, there is a search bar with the text "Find a course...". Below the search bar is a navigation menu with tabs for HOME, ABOUT US, COURSE CATALOG, CONTACT US, CALENDAR, JOIN, and TEAMPEDS TALKS. The COURSE CATALOG tab is active. On the left side, there is a "Refine by:" section with checkboxes for CREDIT TYPES (Contact hours (80), AMA PRA Category 1 Credit™ (3)) and CATEGORY (Primary Care (70), Acute Care (29), Pharmacology CE (18), TeamPeds Talks (17), Mental Health (11), Human Trafficking (6), Infectious Disease (6), Nutrition/Feeding (6), Professional Development (6)). The main content area shows a table of search results. The first result is "2019 Pediatric RX, Module 1: What's New in Pediatric Pharmacology" with a category of "Primary Ca..." and "Contact hours" credits. The description for this course is: "1.0 NAPNAP Pharmacology Contact Hour. This continuing education activity is offered at a reduced rate to NAPNAP Members. This continuing education activity rate is 10\$ for NAPNAP Members. For non- members, this continuing education activity rate is 20\$. Current pediatric prescribing recommendations will be reviewed. An extensive review and update will provide the participant with an improved understanding of therapeutic benefits as well as potential risks of medications prescribed for children, including efficacy, safety and prescribing recommendations. Current MedWatch Safety Alerts issued by the FDA will also be covered." Below this is another result: "2019 Pediatric Rx, Module 6- Psychotropic Medications" with a category of "Primary Ca..." and "Contact hours" credits.

## Step 2

Click on the module 1 course link and open the course.

Next, click on the **Register** tab and click on ADD TO CART

The screenshot shows the course page for "2019 PEDIATRIC RX, MODULE 1: WHAT'S NEW IN PEDIATRIC PHARMACOLOGY". The page has tabs for OVERVIEW, FACULTY, ACCREDITATION, and REGISTER. The REGISTER tab is active. The main content area contains the following text: "1.0 NAPNAP Pharmacology Contact Hour. This continuing education activity is offered at a reduced rate to NAPNAP Members. This continuing education activity rate is 10\$ for NAPNAP Members. For non- members, this continuing education activity rate is 20\$. Current pediatric prescribing recommendations will be reviewed. An extensive review and update will provide the participant with an improved understanding of therapeutic benefits as well as potential risks of medications prescribed for children, including efficacy, safety and prescribing recommendations. Current MedWatch Safety Alerts issued by the FDA will also be covered." Below this is the "INTRODUCTION" section: "This continuing education activity is administered by the National Association of Pediatric Nurse Practitioners (NAPNAP) as an Agency providing continuing education credit. Individuals who complete this program and earn a 70% or higher score on the post test will be awarded 1.0 NAPNAP contact hours, of which 1.0 is pharmacology content." Below that is the "IMPORTANT" section: "This continuing education activity is offered at a reduced rate to NAPNAP Members. You must be logged in using your NAPNAP Username and Password to be recognized as a Member of NAPNAP. If you are a current member of NAPNAP, and you are being asked to purchase this activity at the Non-Member rate, please contact the NAPNAP National Office at (877) 662-7627 to request assistance prior to entering any payment information." On the right side, there is a "COURSE SUMMARY" box with the following information: "Available credit: 1.00 Contact hours", "Course opens: 12/02/2019", "Course expires: 11/30/2021", "Cost: \$10.00", and a "Bookmark course" link.

The screenshot shows the course page for "2019 PEDIATRIC RX, MODULE 1: WHAT'S NEW IN PEDIATRIC PHARMACOLOGY". The page has tabs for OVERVIEW, FACULTY, ACCREDITATION, and REGISTER. The REGISTER tab is active. Below the tabs is a blue "ADD TO CART" button. Below the button is the "PRICE" section, which shows "PRICE" in red and "COST: \$10.00" in black.

### Step 3

Go back to **Course Catalog** and type Module 2 in the Search bar

The screenshot shows the 'COURSES' section of a website. At the top, there is a navigation bar with links: HOME, ABOUT US, COURSE CATALOG (highlighted), CONTACT US, CALENDAR, JOIN, and TEAMPDS TALKS. Below the navigation bar, the page title is 'Home'. The main heading is 'COURSES'. There is a search bar with the text 'module 2' and a 'SEARCH' button. To the left of the search bar, there are filters for 'CREDIT TYPES' and 'CATEGORY'. The 'CREDIT TYPES' filter includes 'Contact hours (80)', 'AMA PRA Category 1 Credit™ (3)', and 'Pharmacology CE (18)'. The 'CATEGORY' filter includes 'Primary Care (70)', 'Acute Care (29)', 'Pharmacology CE (18)', 'TeamPeds Talks (17)', 'Mental Health (11)', 'Human Trafficking (6)', and 'Infectious Disease (6)'. The search results are displayed in a table with columns: Title, Category, and Credits. The first result is '2019 Pediatric RX, Module 1: What's New in Pediatric Pharmacology' under the category 'Primary Ca...'. Below the table, there is a detailed description of the course: '1.0 NAPNAP Pharmacology Contact Hour. This continuing education activity is offered at a reduced rate to NAPNAP Members. This continuing education activity rate is 10\$ for NAPNAP Members. For non- members, this continuing education activity rate is 20\$. Current pediatric prescribing recommendations will be reviewed. An extensive review and update will provide the participant with an improved understanding of therapeutic benefits as well as potential risks of medications prescribed for children, including efficacy, safety and prescribing recommendations. Current MedWatch Safety Alerts issued by the FDA will also be covered.'

### Step 4

Repeat steps 1 and 2 until you have **all 7** modules in your shopping cart.

The screenshot shows the 'SHOPPING CART' section of a website. At the top, there is a navigation bar with links: HOME, ABOUT US, COURSE CATALOG, CONTACT US, CALENDAR, JOIN, and TEAMPDS TALKS. Below the navigation bar, the page title is 'Home'. The main heading is 'SHOPPING CART'. There is a green notification bar that says '2019 Pediatric RX, Module 2: Immunization Update added to your shopping cart.' Below the notification bar, there is a table with columns: Product, Attributes, Qty, and Total. The table contains two items: '2019 Pediatric RX, Module 1: What's New in Pediatric Pharmacology' and '2019 Pediatric RX, Module 2: Immunization Update'. Below the table, there is a 'Subtotal: \$20.00'. There are buttons for 'REMOVE' next to each item, 'UPDATE CART', and 'CHECKOUT'. Below the table, there is a 'Continue shopping' link. Below the 'Continue shopping' link, there is a 'COUPON DISCOUNTS' section with a 'COUPON CODE' field and an 'APPLY TO ORDER' button.

## Final Step

Add the coupon code provided to you in the **Coupon Code** box and click **APPLY TO ORDER**. Click on **CHECKOUT**. Follow the prompts and continue to check out until you are prompted to begin taking your courses.
